Product Retirement Notice – PROX-WATCH

**PROX-WATCH
Product
Retirement**

Senstar herein informs its valued customers, dealers, and representatives of the planned retirement of the PROX-WATCH capacitive proximity sensor.

Senstar’s PROX-WATCH system detects unauthorized access to ungrounded metallic equipment such as file cabinets or vehicles. As the intruder touches the protected equipment, an alarm is generated.

The PROX-WATCH sensor has now reached its end of life and Senstar is now announcing the following Product Retirement milestones:

Date	Milestone
04-May-2015	Product Retirement Notice issued (this bulletin), affected products are still available for new sales
31-Dec-2015	Product no longer available for new sales, repair services remain available
31-Dec-2017	Repair services transition to a Best Effort basis
31-Jul-2023	Complete end of life – all repair services discontinued

See Table 1 below for a detailed list of affected part numbers.

**Product
Migration**

Senstar does not offer a migration path for the PROX-WATCH system.

**For further
information**

Please direct inquiries or requests for quotation to your local Senstar representative – see www.senstar.com for contact information.
